Regarding Central Coast Central Office Intergroup Meetings

This is the first issue of the print edition of the CCCOI Meeting Directory since March 2020; since the pandemic shutdowns, our local meetings have been shifting from in-person to Zoom to Hybrid and sometimes back to in-person.

Central Office just completed an update of the online meeting directory to hopefully capture the current status of all our meetings. Our meeting directory now includes in-person, online and hybrid meetings.

This meeting directory is a listing of meetings that are in-person at a physical location on the Central Coast; some of these meetings are purely in-person and the status is designated as IP. Some of the in-person meetings also provide a Zoom connection to the meeting and these are designated as HY for Hybrid.

The remainder of our meetings are Online and these meetings are not listed here, but can be found on our website (sloaa.org). Additionally, the online Zoom meeting ID and passwords for the Hybrid meetings can be found on our website.

We need your help to keep this information current; go to sloaa.org and fill out a meeting change form for any corrections to this listing.
