**Chairperson: Dick B**

Dick announced that Vanessa will be out do to a medical situation. **Keri S** is the new "**Nameless Newsletter**" editor. She needs stories for the newsletter & asks that events from your group be sent to her for publication.

**Board Vice-Chair: Kathie R**

Kathie reported that there were several Halloween parties. There was a women's retreat that was well attended. GSR Meeting announced a PRAASA meeting in Hawaii from 2/27 to 3/1. GSR & DCM are encouraged to attend. It will be held at the Hilton hotel.

**Board Treasurer: Melissa M**

Melissa reported that October received good contributions. Budget has reflected a net loss of 3K that should be made up by contributions for the 3rd quarter. Which will be reflected in the next 2 months. Phantom numbers from prior years has been a challenge as it doesn't reflect the correct amount. She is working on the balance sheet to ensure the totals are correct.

**Board Literature Chair: Brad L.**

Literature on the shelves reflect the price increase. As new literature arrives more changes will be made.

**Board Member at Large: Jim D.**

Nothing new to report. Convention meeting today at noon. There has been trouble with the lock box on Central Office's door. We'll see about getting it replaced.

**Jim L.-Sunday Evening Rap Group**

Well attended group. Approx. 25 people attend with many newcomers. It's an open meeting & all are welcome.

**Kathleen W.-Sense of Belonging**

Usually well attended. 10 to 12 women each week.

**Wayne N: 5 Cities group**

The Traditions Meeting had approx. 30 people in attendance  
There will be a Thanksgiving Brunch at 2:00 on Thanksgiving.  
The last Friday of the month is a speaker meeting at the Mesa.  
The speaker seeker is doing a great job & everyone is welcome  
to attend. There will be Marathon meetings starting at 7pm  
the Wednesday through Thursday. The Alano Club also is having  
Marathon meetings.

**\*\* Please announce at your meetings that Central Office needs  
a Secretary and a Communications chair. We also need
